SAFETY DATA SHEET

Prepared in accordance with GHS / REACH Regulation (EC) No 1907/2006

Salmon PDRN Regenerative Serum

1. Identification

Field	Detail
Issue Date	24 November 2026
Revision	1.4
SDS Number	SDS-SDN-001

Field	Detail
Product Name	Salmon PDRN Regenerative Serum
Product Code	SDN
Recommended Use	Leave-on facial serum
Restrictions on Use	Cosmetic use only. External use. Do not ingest.
Manufacturer	Cellular Industries Pty Ltd t/a Cellular Cosmetics
ABN	73 668 909 984
Address	1/7 Activity Crescent, Molendinar QLD 4214, Australia
Email	admin@cellular-cosmetics.com
Emergency Contact	admin@cellular-cosmetics.com (business hours)

2. Hazard Identification

Field	Detail
GHS Classification	Not classified as hazardous under GHS / CLP.
Signal Word	None
Hazard Statements	None
Precautionary Statements	P102 Keep out of reach of children. P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes.
Other Hazards	None known.

3. Composition / Information on Ingredients

Field	Detail
Product Type	Mixture (cosmetic finished product)
Composition Disclosure	The full quantitative composition is proprietary and confidential. Hazardous ingredients above GHS disclosure thresholds are listed in Section 15. Full INCI list available on product label and on request from the manufacturer.
Fragrance Allergens Declared	None — product is fragrance-free

Phthalate Declaration: No prohibited phthalates (DEHP, DBP, BBP, DIBP) detected.

4. First Aid Measures

Field	Detail
Eye Contact	Rinse cautiously with water for several minutes. Remove contact lenses if present. Seek medical attention if irritation persists.
Skin Contact	Discontinue use. Rinse with water. Seek medical attention if irritation persists.
Inhalation	Not a normal route of exposure. Move to fresh air if symptoms occur.
Ingestion	Do NOT induce vomiting. Rinse mouth with water. Seek medical attention.

5. Firefighting Measures

Field	Detail
Suitable Extinguishing Media	Water spray, foam, dry chemical, CO2.
Specific Hazards	None known. Not flammable under normal conditions.
Special PPE	Standard firefighting equipment.

6. Accidental Release Measures

Field	Detail
Personal Precautions	Avoid contact with skin and eyes. Use protective gloves.
Environmental Precautions	Avoid release to drains and waterways.
Containment / Cleanup	Absorb with inert material. Place in suitable container for disposal.

7. Handling and Storage

Field	Detail
Handling	Use only as directed. Avoid contact with eyes. Wash hands after handling.
Storage	Store below 25 °C, away from direct sunlight. Keep container tightly closed.
Incompatibilities	None known.

8. Exposure Controls / Personal Protection

Field	Detail
Exposure Limits	No OELs established for finished cosmetic product.
Engineering Controls	Adequate general ventilation.
Personal Protection	Not required for end-user. For bulk handling: gloves, eye protection.

9. Physical and Chemical Properties

Field	Detail
Appearance	Clear, slightly viscous pink to light red liquid
Odour	Odourless to faint characteristic
pH	5.7 – 6.0
Solubility in water	Miscible / dispersible
Flash point	Not applicable (aqueous — non-flammable)
Density	~1.0 g/mL
Flammability	Not applicable (aqueous — non-flammable)

10. Stability and Reactivity

Field	Detail
Reactivity	Stable under normal conditions.
Chemical Stability	Stable.
Hazardous Reactions	None known.
Conditions to Avoid	Excessive heat, direct sunlight, freezing.
Incompatible Materials	Strong oxidising agents.
Hazardous Decomposition	None expected.

11. Toxicological Information

Field	Detail
Acute Toxicity	Not classified. Assessed as safe under EC 1223/2009.
Skin Irritation	Not classified under normal use.
Eye Irritation	May cause mild eye irritation on direct contact.
Sensitisation	No fragrance allergens present (fragrance-free). Not classified as a skin sensitiser under normal conditions of use.
CMR	None of the ingredients are classified as CMR.

12. Ecological Information

Field	Detail
Aquatic Toxicity	Not classified. Biodegradable or readily diluted at use levels.
Persistence	Not expected to persist.
Bioaccumulation	Not expected.

13. Disposal Considerations

Field	Detail
Waste Disposal	Dispose per local regulations. Empty containers may be recycled.

14. Transport Information

Field	Detail
UN Number	Not regulated
Proper Shipping Name	Not regulated
Transport Hazard Class	Not regulated
Packing Group	N/A
Marine Pollutant	No

15. Regulatory Information

Field	Detail
Australia	AICIS — all ingredients listed or exempt.
EU	Compliant with EC 1223/2009. Product is fragrance-free — no Annex III allergen declarations required.
USA	FDA Cosmetic regulations 21 CFR.
Hazardous Ingredients (>1%)	None above GHS disclosure thresholds.

16. Other Information

Field	Detail
Disclaimer	This SDS has been prepared in good faith. The manufacturer makes no warranty of merchantability or any other warranty, express or implied, with respect to such information.
